

## Twelve tasty projects selected as finalists of the AIA|LA's 2018 Restaurant Design Awards

Done well, [restaurant design](#) can be transformative and transportive, and can even make the food actually taste better. It is one of the most important factors of the dining experience, playing a key role in customer satisfaction and ultimately, the success of a restaurant.

Every year, the [AIA|LA](#) honors the vital role good interior design plays in the world of dining, distinguishing designers who take the restaurant typology up a notch with their [Restaurant Design Awards](#). Now in its 14th year, the jury has narrowed the competition pool down to 12 finalists in three categories — 'Restaurant', 'Cafe/Bars', and 'Lounge/Nightclub'.

From a modern, upscale Mexican restaurant dressed in light wood surfaces to a Cuban-inspired cafe whose design incorporates antique coffee artifacts, the 2018 finalists represent some of the year's most striking designs. Get a glimpse right below. A public vote for the 2018 RDA People's Choice Award Winners is also now open here: <http://conta.cc/2u92Zib> (To share with friends, please copy link directly)
